

Scott Muir MIC

Professional Scottish Climbing Athlete

Extreme Rock, Ice and Mixed Climber

Shop and Gallery

Here you will (eventually) find some excellent products for sale.

Gallery

I hope you enjoy the selection of shots from my climbing life so far. My collection is so big now and encompasses so many places, people and aspects of climbing that it's been almost impossible to choose from, so I will constantly evolve this page and rotate the images. All of them are available to buy at anytime or for print in publications, press and other uses with prior permission from myself. This can easily be obtained by contacting me. extreme@scottmuir.com
